The competition is a long held tradition and one an integral part of the Festival and the winner will be an ambassador for the Goulburn community and will be given opportunity to attend special events during the year. This is an opportunity to raise money for your nominated charity and the successful candidate will win a holiday on the Gold Coast.

2022 Festival Queen, Felicity Apps

Life Member

We are pleased to announce our very first Life Member. Mr Ken May was presented with a framed certificate and badge at our recent Community meeting. Ken (pictured with Festival president Carol James and Vice President Samuel Ross) has been a stalwart of the festival, coordinating the garden competition with his wife, Betty Jane for a period in excess of twenty years. To this day, the Betty Jane May Memorial Trophy is still awarded to the best overall garden. Ken was thrilled at receiving such an honour and was very touched that he had been thought of in this way. On behalf of the committee and membership we thank Ken for his years of dedicated service and congratulations on receiving this wonderful honour. It will well deserved.

Lilac Fairy Hunt

We are extremely pleased to announce a new initiative as part our festival this year. We will be working with the Cystic Fibrosis Goulburn & District Committee to help promote their Lilac Fairy Hunt. This wonderful event will be a part of their fundraising activities in 2023 and it is an absolute delight for us to support and work with another local community group.
