The competition is a long held tradition and one an integral part of the Festival and the winner will be an ambassador for the Goulburn community and will be given opportunity to attend special events during the year. This is an opportunity to raise money for your nominated charity and the successful candidate will win a holiday on the Gold Coast.

Lilac City Festival Calendar

A new fundraising initiative for this year is to have our very own calendar for sale. The idea is to sell a page (1 month) to a local business who will become the sponsor of that month and it will contain a photo of an interesting location within our beautiful city. The cost of each page is a bargain at \$500 and as we go to press there are only 4 pages left. It will also contain dates of significant events in Goulburn in 2024. For further information and your chance to book a page please contact us, details are at the top of the page.

Lilac City Festival Parade

It is with much sadness and admiration that we say goodbye to our beloved Wendy Antony. Wendy has been the driving force and organiser of our parade since 2019 and words alone cannot describe her incredible effort in making it all come together over the years. On behalf of everybody associated with our wonderful festival we thank you Wendy for your enthusiasm and drive in organising our parade. You will be missed. This means that we will now need help from anyone interested in helping out to make the parade the showpiece of this years' festival. If you think you can help us we would love to hear from you.
