A FESTIVAL TO REMEMBER

The Goulburn Lilac City Festival is over for another year and what a festival it was. The 2023 edition had something for everyone with a wide variety of events that enticed large numbers of people to attend the festival over the three days. We had visitors from Townsville, Melbourne, Sydney, Canberra and Albury just to name a few places, complementing the locals who attended.

One of the main priorities this year was to increase the number partnerships with local businesses, community groups and charitable organisations as well as being more inclusive and promoting the extensive diversity that makes up our community. On all counts these goals have been met and even surpassed in some instances, but the hard work does not stop there as the hard work continues to ensure these partnerships will continue to flourish in the years ahead.

Of course none of this would have been possible without the hard work of the festival Committee and Volunteers, so to all who were involved in running the festival, thank you for your dedication and enthusiasm in delivering a wonderful and successful event.

So here it is, the 2023 festival in pictures.
